MORE from Trinity

Raised Gardens Available: Two raised garden beds are available for anyone who would like to use them. They are on the lawn just beyond the driveway south of the church. One bed is in reasonable condition and the other needs some repair. There is a water source available nearby. If anyone has any questions or wants to use one please see Bob Romanet.

Volunteer Opportunity with Students: During Covid, many school students needed to learn online, and some did not have access to computers or internet. To help kids catch up, we are excited to announce that RocUbuntu is forming a partnership with a westside City of Rochester elementary school! If you are interested in tutoring or otherwise working with the students, please contact Fred Fant by email at fredfant@yahoo.com. Volunteers will complete a background check and a one-hour orientation. Commitment is normally once or twice per week during the school year. Tutoring will likely start in September. RocUbuntu is also looking into a possible summer program partnership. If you have ideas or skills you would like to share, please also let Fred know!

Greece Food Shelf: The Greece Food shelf always welcomes donations. If any member would like to donate you may drop them off at Trinity during Lisa's office hours or on Sunday. Bob Romanet has also graciously volunteered to pick up any items from your home for either the Greece Food Shelf or the Blessing Pantry. Trinity will bless the food for the pantries on one Sunday of the month. Thank you!
