The Milestones we are celebrating include Rev. **Labyrinth Walks this Summer:** All are welcome to join us for Summer Labyrinth Walks. These are short (20- to 30-minute) walks in a circular pattern that allow us to quietly focus on mindfulness and meditation. Those of us with religious faith also focus on prayer. If you are new to labyrinth walks, it's easy to learn. We will explain how we do it. **Summer Tuesdays -- July 12 & 26, August 9 & 23 -- at 12:00 noon;** After each walk, we'll have time to reflect and share our spiritual experiences with each other. Please feel free to bring a picnic lunch for time of fellowship. There are some benches here, but consider bringing a lawn chair if it's convenient for you. For more information, contact the church office at 585-225-7848. Blessings from Trinity Episcopal Church! Note: The Trinity Labyrinth is always open to the public. Anyone is welcome to come any time to walk, meditate, and enjoy.

Please bring your lawn chairs and/or picnic blankets and stay for lunch thereafter. Any bring and share dishes you would like to contribute would be wonderful. Donations of boxes, paper bags, CLOTHING RACKS and recycling grocery bags are welcome too. **Volunteering opportunities**—Volunteers are welcome to participate in the pricing of items (Tuesdays from 10:00 am to 12:00 noon). <div data-bbox="453 739 834 783"><b>We are on a Journey</b></div> <div data-bbox="453 786 846 817">Letter from Rt. Rev. Bishop Steve</div> <p data-bbox="322 848 560 879">Fellow Sojourners,</p> <p data-bbox="322 913 997 1336">In my journeys around the diocese for Sunday visitations and to meet with clergy, I’m discovering what all of you already know: we’re tired. We’re tired of the pandemic and the constraints it has placed on us. We’re tired of two years of uncertainty. We’re discouraged that we seem to be facing an unending string of Covid variants and surges. We’re tired of having to offer hybrid worship to an increasingly diverse community. We desperately want things to return to days of stability and predictability and to function in the ways we’re most comfortable. We want to be together again and for everyone to come back to church.</p> <p data-bbox="322 1367 997 1790">The pandemic gets a lot of blame for our tiredness. We have been stretched in ways we never imagined just to offer worship week by week. Yet, truth be told, the pandemic in many ways simply accelerated and clarified trends that were well underway before March 2020. The things we grew up with – rising wealth, lots of Episcopal children – are things of the past. Our congregations have been aging, membership has been declining, for more than two decades. Our need to connect with young people in new ways and to be present in our communities in new ways has been an ongoing challenge. Our red doors no longer attract interest.</p> <p data-bbox="322 1821 997 2402">Much of what we have been as The Episcopal Church has depended on stability. Income streams for parishes, career tracks for clergy, and work in our communities have relied on the expectation that things won’t change much from year to year, except to improve slightly. And that world is gone. We all know that from watching our children try to find career paths and stable employment. We all know that from watching our parish incomes decline. So, what to do? That’s the question the Diocesan Council and the Trustees have begun to wrestle with in talking about Mission Strategy. Our strategy has been to support parishes through Congregational Development and Mission Partnership grants. Is that strategy working? Is there a strategy that might be more effective in providing clergy leadership and strengthening parish missions? How might we connect more effectively with our communities?</p>		
<p data-bbox="1018 739 1695 1031">My own sense is that we need to be willing to try new things, to take risks, to seek partnerships with community groups and businesses, in ways we haven’t before. We need to recognize that online worship will continue to exist alongside worship in person and that the pandemic will continue to demand flexibility. When something is working well, we need to affirm and support it. When something isn’t working, we need to ask why we keep doing it.</p> <p data-bbox="1018 1062 1695 1389">Finally, and perhaps most important, we need to take care of ourselves. Rest and refreshment are essential in this environment. We need to enjoy the summer. And we need to trust that God walks with us, that God may be in all the chaos inviting us to new ways of being. God loves us even when we don’t feel loved. So, say your prayers, spend time with your loved ones, and look for God to show up in unexpected ways. We’re on a journey, and the only thing we can do now is take the next step.</p> <p data-bbox="1018 1420 1153 1482">Faithfully, +Steve</p> <div data-bbox="1185 1482 1501 1563"><b>Vestry Highlights</b> By Linda Ketchum-Pompili</div> <p data-bbox="1018 1594 1695 1948">At each monthly meeting, the Vestry typically has standard agenda items: Rector's report (which includes an overview of our priest's pastoral care work and recent funerals, baptisms, marriages; her ministry work; and her administrative work); the Wardens' report (from Nate Wade &amp; Lynn Ringholz), Outreach missions report, and Trinity Lamb Pre-school report. The Vestry also reviews monthly financial reports: Revenues &amp; Expenses for both the church and preschool; Paid Invoice list for the church, and Balance Sheet for all church accounts.</p> <p data-bbox="1018 1979 1695 2045">Highlights below include some of the topics Vestry discussed and/or decided at two recent meetings.</p> <p data-bbox="1018 2076 1427 2110"><b>April 25, 2022 Vestry Meeting:</b></p> <p data-bbox="1018 2141 1695 2268">Thank you to Lee Stoddard for installing new equipment in the library to prepare future Vestry and Bible Study meetings to be offered as hybrid in-person &amp; online.</p> <p data-bbox="1018 2299 1695 2427">Rev. flowers has attended Sunday services.

A written statement about Hybrid In-Person & Online Worship is being developed for Vestry review at the May meeting.

**May 16, 2022 Vestry Meeting:**

The Vestry tried a hybrid meeting with 5 members attending remotely on Zoom and 7 members attending in-person in the library. Thank you to Bob Romanet who assisted with the setup.

Bob Romanet presented two proposals from the A-Team (Building & Grounds): 1) Removal of a large fir tree hear the Parish Hall because accumulation of fallen needles interferes with the outside drainage system and causes leaks in the roof. 2) Removal of the raised gardens on the south side of the building and replacing them with lawn grass. The water source will remain so it can be used in the future. Both proposals were agreed to by the Vestry.

The Outreach Committee recommended Trinity support the Rural & Migrant Ministry's 2022 Summer Camp youth intern with \$1500 from the Fredlund Youth Fund. Vestry agreed.

The Vestry provided feedback on the Hybrid In-Person & Online Worship statement, requesting that it present a balanced view of the advantages of both the in-person and the online experience.

For the August 4-6 Rummage Sales, which brings more visitors to Trinity than any other event during the year, ideas were discussed for providing those visitors with information about Trinity and inviting them to return on a Sunday.

Mutual Ministry—  
Foundation of Vision Planning

By Linda Ketchum-Pompili

Vision Planning at Trinity is based on the Mutual Ministry brainstorm process that began in 2017. We are grateful to Laurie Phillips, who was Warden in 2017, for documenting all the brainstorm notes. The Vestry and congregation at that time explored these questions:

- \* What challenges/opportunities does the church face over the next 5-10 years?

<div></div> <div>Page 4</div>	TRINTY TIMES—July/August 2022
<ul style="list-style-type: none"><li>* How can we prepare ourselves?</li><li>* Describe a way your life has been touched by your participation in or experiencing the mission/ministry of this church?</li><li>* How do we invite members into participation?</li><li>* How can we improve?</li><li>* What do you see as the mission of this church?</li></ul> <p><b>What is Mutual Ministry?</b></p> <p>"Mutual Ministry" is a term given to the concept of shared ministry and leadership in a congregation. It's an approach to Christian ministry lived out of the promises made in baptism. It sees the whole congregation, not just the clergy, as the primary ministry.</p> <p>According to Virginia Theological Seminary, congregations are struggling to afford priests and many priests were trained for a model of church that no longer exists. "Mutual Ministry" shifts from the model where professional clergy are the sole minister that others gather around — to a collaborative and Biblical (Acts 2) framework where ordained clergy serve alongside and among a community of ministers (people of the congregation).</p> <p>Learning from A-Team and Bible Study group</p> <p>I had the pleasure of joining the A-Team breakfast at the Panorama diner on Tuesday, June 7. More than 20 parishioners were there. John Montstream gave an entertaining oral history of the A-Team (also known as "the Fixers", also known as Building &amp; Grounds team). I was struck by stories of the innovative and unorthodox solutions they invented over the years to solve building maintenance and tech upgrade challenges — exactly the kind of thinking we need for planning Trinity's future.</p> <p>At recent Bible Study groups (Wednesday evenings on Zoom), Rev. Debs provided a few minutes at the end to talk about Mutual Ministry and Vision Planning. What we're learning in Bible Study about "Spiritual Gifts" ties in well with Mutual Ministry. Thank you to all who provided feedback at the June 15 Bible Study (and in follow-up phone calls with me over the next few days), including John Barvian, Linda Bohrer, Laurie Phillips, Carol Lush-Ehmann, and Pat Mayne.</p> <p><b>You are invited to participate:</b></p> <p>If anyone would like to participate in a Mutual Ministry Vision Planning focus group to share ide-</p>	<p>as, please contact Linda at <a href="mailto:Linda.Aug22@outlook.com">Linda.Aug22@outlook.com</a> or call/text her at (585) 434-8649. We can set up time in-person or on Zoom. In-person groups can meet at the church building when it's open, or at the Ketchum-Pompili home in Greece (with drinks, snacks, and refreshments). And we may continue to spend a few minutes on this topic at the end of Wednesday evening Bible Study if time permits. Please contact Linda if you'd like a copy of the 2017 Mutual Ministry brainstorm notes and the Vision Planning slides discussed at Bible Study.</p> <div><div><b>Building &amp; Grounds</b> By John Montstream</div><div></div></div> <p>Every Tuesday morning A-Team members come to Church to do a variety of routine tasks and any needed “fixes”. Attendance is still low.</p> <p>The problem with our “high water” alarm turning on when there is not a problem with high water has been resolved. The problem was the old sensors that were failing. We replaced the three old ones and added a new sensor to the new sump located in the old teen room (NW corner basement room).</p> <p>The Town has made the pickup of the stacked sticks and branches. Thank you Jim W..</p> <p>The roof gutters and drains on the west side of day-care get loaded with pine needles and cones. The downspout screens work too well as the needles in the screens keeps the water from flowing properly. The Vestry has approved taking down “the only pine tree” to solve this problem.</p> <p>One of the two-wheeled hand trucks was having trouble with its wheels. Phil replaced both with two new ones. Thank you Phil H..</p> <p>Jay Chapman of Breman Development Inc. is presently looking for an appropriate tree to replace the dead one on our road in from North Ave.</p> <p>A new gasoline Stihl string trimmer was purchased as the old one that was used by John B. to keep the labyrinth looking neat and trim was old, leaked oil and unreliable. The new trimmer is easier to use and takes less time to keep all looking good. Thank you John B.</p>

TRINTY TIMES—July/August 2022		Page 5
<p><b>Still in Progress:</b></p> <ul style="list-style-type: none"><li>♦ The downspout on the east side of the Parish Hall is still plugged up by leaves from a nearby bush/tree. Hope we can get to unplug it soon.</li><li>♦ Peter M. and Phil H. have been looking into the condition of and the operation of the rheostats for the ceiling lights in the Nave along with determining why 5 side lights on the east side of the Nave are not lighting. Our thinking is to by-pass the rheostats which should make the wiring easier to trace and analyze.</li><li>♦ The French drain project is still not completely resolved. A steel plate over the drain may be a better solution than a “fill board” for the French drain to provide an almost flush surface with the existing floor. Some finishing work is still needed so water cannot bypass the drain. A water driven sump pump has been purchased and will be installed soon as a backup pump.</li></ul> <p>The Jobs List is, as always, a w__k in p_____s.</p> <p><b>Greece Crop Walk Totals</b> By Rob John</p> <p>The totals came in and almost \$8,500 was raised by the 7 churches (Aldersgate, Bethany, Greece Baptist, Greece UMC, John Knox, Messiah and Trinity). Linda John Interlichia and I want to thank everyone who supported us on the May 1<sup>st</sup> walk as over \$480 was raised by our team! Thanks again—Rob!</p> <p><b>Greece Food Shelf:</b> The Greece Food shelf always welcomes donations. If any member would like to donate you may drop them off at Trinity during Lisa’s office hours or on Sunday. Bob Romanet has graciously volunteered to pick up any items from your home for either the Greece Food Shelf or the Blessing Pantry if needed. We bless the food for the pantry on one Sunday of the month. Thank you!</p> <p><b>Outreach Team Update</b> By Lynn Ringholz, Outreach Leadership Team Chair</p> <p>Your donations to the Humanitarian Fund during our Lenten Ministry focus raised \$570.00. We gave a check for \$570 to Justice for Migrant Families Western New York (WNY) when we met with them on June 4, 2022. The Humanitarian Fund al-</p>	<p>lows the Trinity Outreach Committee to provide much-needed resources to organizations in our outreach missions.</p> <p>Justice for Migrant Families WNY provides direct support for people who are released from detention or who continue to be detained. Their organization provides commissary, pen pals, and books to people detained at the Buffalo Federal Detention Center. They train volunteers to meet people who are being released, now at the Buffalo downtown bus station, and buy them bus and plane tickets, get them housing, clothes, food, and information for getting home. They also provide housing, food, transportation, and accompaniment for people from all over New York State and the country who have to come back to Buffalo after release for court and immigration check-ins.</p> <p>The Good Samaritans Field Trip on June 4 was a day of engaged learning and prayer, and a wonderful experience. Know that your donation had a direct impact on the lives of a very marginalized and vulnerable community. <b>Thank you for your generous, kind, and compassionate support!</b></p> <p><b>Tutoring Opportunity</b> By Fred Fant</p> <p>If you have been thinking about volunteering for the Tutoring Project with RCSD this fall, there is still time, but please act quickly! We would like to meet with RCSD with the volunteer applications in July to allow time for the background checks and the training session. Go to <a href="https://www.rcsd.org/RCSDk12.org">RCSDk12.org</a>, click on the community tab and open the Become a Volunteer page. You will find a link to an application. Fill it out and send it to RCSD or print out the filled out application and give to Fred Fant. Or take one of the packets on the table by the Library. Thank you.</p> <p><b>Hearty Congratulations!</b></p> <p><b>Darek Whitcomb</b>—SUNY Brockport Bachelor degree with a major in Health Science and a minor in Coaching (Grandson of Sharon Burch).</p> <p><b>Emma Barstow</b>— Graduated from Victor High School, Attending Ithaca University in the Fall (Granddaughter of Doug and Joan Barstow)</p>	

**Shaun M. Bohrer**  
**Memorial Scholarships Awarded**  
By Linda Bohrer

On Sunday, June 12, the 2022 Scholarship Committee was pleased to announce this year’s recipients of the Shaun M. Bohrer Memorial Scholarships. This year’s Trinity Episcopal Church award goes to **Robert Romanet**, from Greece Athena High School. Robbie is an active member of Trinity. The \$500 awards will be used to further his education. Robbie will be attending St. Bonaventure and is the son of Jeff & Stephanie Romanet and grandson to Bob & Dorothy Romanet. We wish him well in all his future endeavors.

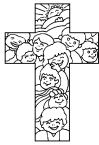

At Embry-Riddle Aeronautical University, in Daytona Beach, Florida, the \$500 scholarship was awarded to Fernando Avila.

Each year the Committee strives to select the candidates who are most “Shaun-like.” The two young men who are this year’s recipients are perfect choices as they are motivated to academically excel, are committed to their faith, express reverence for God and demonstrate service.
